

E-mail to Line Office CFOs/September 8, 2006

We've learned recently that the SATO transaction fee has increased by \$2.00 at all SATO locations NOAA-wide. This \$2.00 increase represents an airline pass-over. In other words, this is not a SATO increase, but rather an increase that will go to the airlines via SATO. If you have any questions, regarding this increase, please contact Rachael Wivell on 301-444-2136 or e-mail: Rachael.S.Wivell@noaa.gov .
